CONDITIONS OF CLEARING SALE

1. The highest bidder shall be the purchaser. Should any dispute arise between two or more bidders the lot in dispute shall be put up and resold or the auctioneer shall name the buyer. The vendors reserve the right to make one or more bids either personally or through an agent as may be deemed necessary during the progress of the sale.
2. The description of all goods sold shall be given as correctly as possible, Should any deficiency arise as to quality or quantity of goods sold we will not be responsible to deliver more than is in our possession. All items will be sold per each, unless otherwise stated by the Auctioneer.
3. **Terms of the sale are Cash or Eftpos unless previous arrangements have been made with the Auctioneer, therefore you are to make sure you pay your account before collecting your goods. ALL ITEMS PURCHASED TODAY MUST BE PAID FOR TODAY. The Auctioneer reserves the right to ask for a 10% deposit on the fall of the hammer.**
4. No warranty whatsoever is given with any lot and the Vendor and the Auctioneer shall not be responsible for incorrect description or for the correctness of any statement concerning any lot in any catalogue or otherwise, for any fault defect or damage to any lot. Each of the said lots will be taken with all faults if any and will be at the buyers risk on the fall of the hammer. The registration numbers listed in the catalogue are purely for identification purposes only and unless otherwise stated the plates will be removed.
5. The Auctioneer will not hold himself responsible for any action that may arise in as much as he is acting solely as agent for the Vendor.
6. Martin Evans has been retained by the vendors as auctioneer for the purpose of selling the goods for the highest price. The terms of the engagement between Martin Evans & the vendor do not extend to the provision of advice by Martin Evans to the Vendor in relation to the safety or otherwise of the sale and surrounding areas.
7. If any bidder fails to comply with any of the above conditions all moneys received in part payment shall be forfeited and all lots uncleared may be resold by public auction or private treaty and the deficiency if any on such resale together with all costs and charges shall be made good by the defaulting purchaser.

IMPORTANT NOTICE

'The Occupational Health & Safety Act 2004 and the Regulations made under that Act impose obligations in respect of safety for persons in a workplace concerning the design, manufacture and supply of plant for use in that workplace.

It is the buyers or users responsibility to make sure that the plant and equipment to be sold today is brought up to standard necessary to comply with the Act and that it is safe and fit for use in a workplace.

If it is the intention that the plant and equipment to be used in a workplace as defined by the Act buyers are warned to conduct their own safety inspections of the plant and equipment hereby offered. Buyers are further warned that breaches of the Act and regulations carry very large penalties.
